About program

“Hate Fighters” program has a basic idea to educate young people about combat against hate speech online, what hate speech online is, to recognize and report it etc, through: peer education, legal aspect, street art (comics, hip hop dance and photography) and online activism. In 2013 and 2014 Club for Youth Empowerment 018 (KOM 018) implemented street art aspect of “Hate Fighters” combined with online activism, through pilot projects, in cooperation with Council for Prevention of Juvenile Delinquency (SPPMD), Macedonia. In 2013 activities were organized in Serbia, Macedonia and Turkey; in 2014 activities were organized in Serbia and Macedonia.

This booklet presents some of the products of the activities in 2013 and 2014 – photo groups products, comics products, hip hop dance products and introduction of Hate Fighters program ambassador.

“Hate Fighters” program was designed by KOM018 – Serbia, in cooperation with SPPMD – Macedonia and is supported by European Youth Foundation, Council of Europe.

Stop Hate Speech (Remix)

Verse 1

Stop hate speech, let's dance for peace
We should not hate each, other we are all just kids
One step to the front, let's change ourselves
Raise your hands up, against hate we dance
Every day in the media there is only hate
If we want to change that we have to start today
Raise your hands up, peace when I say "PEACE" (peeaaaaaceeee)
Move your body to the beat

Don't judge a person by the color of the skin
We are all the same, on one planet we live
We are young and we all have rights
Join our fight let's, all spread love
One mind, one heart, all we have is one life
One mic, one beat, move your body
And spread the word on the street

Hook

Stop hate speech, let's dance for peace
We should not hate each, other we are all just kids
One step to the front, let's change ourselves
Raise your hands up, against hate we dance

Verse 2

If you want a real hate speech fighter call me
Cause I've got a message, they taught and they told me
It's about, discrimination in every single nation
We find the inspiration to start a new sensation
Forgive and forget but is there everything to forget now
Can you look me in the eyes and tell me how
Can you look a stranger in the eyes and tell him "I have
No reason to hate you and I respect you as a friend"
We're speaking against intolerance, you can follow us
On the internet, become our sisters and brothers
Just speak loud up if you see somebody getting discriminated,
You should not let it happen
Always on the move - nights, mornings, music, drawings
Never same topic, same story
But we're the same team on the same beat
Each for the hate speech chasing all my dreams

Hook (3x)

Hate Fighters promo video

Grashoper:

Vreme je da otvoriš svoj um i svest
Jer te nigde neće odvesti sva ta mržnja i bes
Jer to će samo doneti sav nepotrebnii stres
Na kraju bićeš sam i besan na ceo svet
Da širiš tu energiju za tebe je bedak
Neko srećan, neko ne, al je svako rođen jednak
Ja sam rođen spreman da sebe i druge menjam
Imamo problema, ajmo mirno do rešenja
Ajmo do pomirenja,
na lice stavi smešak
zajedno smo jači, iako put je težak
još si mlad, imaš ceo svet pred sobom
pridruži se da pobedimo zajedničkom borbom

Momir:

Gledam omraza
pa vidi dali moze da te porazam
Pa znaes sega begaj koga doadjam
gledam samo napred nikogas ne propadjam
Gledam ti si moj covek delis pozitivni misli
dali znaes kolku dobrina davame so dusi cisti
A ti si protiv zatoa sto imam motiv
ne e vazno dali si prv ili stoti stosot e jas te skrotiv

Grashoper: Pozivamo vas da se pridružite našem programu za mlade,
Hate Fighters program za borbu protiv govora mržnje na Internetu.

Momir: Kolku poveke ne ima, tolku sme pojaki

Grashoper:

It is time you open your mind and consciousness
'Coz all that hatred and anger won't get you anywhere
'Coz it will only bring unnecessary stress
At the end you'll be alone and angry at whole world
You feel like a fool to spread that energy
Someone's lucky, someone's not, but everyone's born equal
I was born ready to change others and myself,
We have problems, let's find peaceful solution
Let's find resolution
Put a smile on your face,
We are stronger together, although the path is difficult,
You are still young; you have the world in front of you
Join us to win through joint combat

Momir:

I see hate so see if I can defeat you
So you know now run when I come
I look only forward never fall down
I see you are my man you share positive thoughts
do you know how much kindness we give with our clear souls
And you are against it because I have motive
it is not important if you are first or the
hundred the thing is that I have tamed you

Grashoper: We invite you to join our program for youth,
„Hate Fighters“ program for the combat against hate speech online

Momir: The more of us there are, the more we are stronger
